# BATDORF WASTEWATER PROJECT

## IMPORTANT INFORMATION FOR RESIDENTS AND PROPERTY OWNERS

January 13, 2012

The Board of Wayne County Commissioners would like to give a further update from our October 11, 2011 letter to the residents and property owners in the Batdorf Road/Scenic Heights area. We thank everyone for your patience and cooperation during the construction of the new system. Work has now been completed and the wastewater system is up and running. An inspection will be completed in the spring and again in the fall to address any issues that arise with the construction.

Please note that all residents must tie in to this system prior to May 15, 2012. A sewer inspection permit must be obtained through the City of Wooster prior to construction on your property. Questions regarding the tie-ins or permits for the tie-ins can be directed to (330) 263-5251.

For further details, please refer to our June 3, 2011 update, which can be found at: [http://www.wayneohio.org/current\\_projects.php](http://www.wayneohio.org/current_projects.php) (click on [Update: June 3, 2011](#)).
