# BATDORF WASTEWATER PROJECT

## IMPORTANT INFORMATION FOR RESIDENTS AND PROPERTY OWNERS

October 11, 2011

The Board of Wayne County Commissioners would like to update the residents and property owners of the Batdorf Road/Scenic Heights area regarding the new sanitary sewer system.

The portion of installing the main sewer line, force main line and lift station have now been completed. Residents may begin to tie in to the sewer main after obtaining a sewer permit from the City of Wooster (330-263-5200). The City of Wooster will handle all lateral inspections and questions about the laterals. G.E. Baker Construction is still working on completing lawn, driveway and road restoration.

For further details, please refer to our last update, which can be found at: [http://www.wayneohio.org/current\\_projects.php](http://www.wayneohio.org/current_projects.php) (click on [Update: June 3, 2011](#)).
