

The Wayne County  
Ag Success Team invites you to

# Pathways Forward: Planning the Future of Wayne County's Food and Ag Economy

---

We need your help in shaping the future of  
our region's economy and landscape.

Please join the Wayne County Ag Success Team for an interactive  
networking event where we identify the ways individuals and  
organizations can contribute to expanding and sustaining our regional  
food and agriculture economy.

The event will bring together key members of Wayne County's food,  
agriculture, economic development, and governmental sectors and include  
remarks from the Wayne County Commissioners.

---

Your input, knowledge, talents, and skills are important,  
and we hope that you can join us!

---

- **Where: The Buckeye Agriculture Museum & Education Center,  
877 West Old Lincoln Way, Wooster**
