NOTICE

For the Announcement of the DBE Goal through DOT and the FAA

The Board of County Commissioners, Wayne County, Ohio hereby announce its proposed Disadvantaged Business Enterprise (DBE) participation goal of 3.9% for contracts and agreements funded through the Federal Aviation Administration (FAA) during the federal fiscal years 2023-2025 (October 1, 2022 through September 30, 2025).

The Wayne County Airport goal is based on demonstrable evidence of the availability of ready, willing and able DBEs relative to all businesses that are ready, willing, and able to participate on FAA-assisted contracts. The DBE goal reflects the level of DBE participation that would be expected on airport contracts absent the effects of discrimination.

Questions or comments should be directed to Atty. Jamie L.C. Pience, Administrative Counsel for the Commissioners and DBE Liaison Officer, at jpience@wayneohio.org.
