- A. This Personnel Policy Manual ("Manual") contains those policies set forth for Wayne County Ohio. The Appointing Authorities who have adopted this manual will require all employees to conform to the policies and procedures stated in this manual. All personnel charged with the responsibility of administering policy must be familiar with its contents. This manual is a guide to be used by the Appointing Authority and other managerial staff to ensure uniform and nondiscriminatory application of the conditions of employment. It is essential that these policies be administered in a systematic, fair, and impartial manner.
- B. There will be situations that require administrative interpretation of these policies. Every effort will be made to ensure that such decisions are made objectively with the general intent of the policy in mind.
- C. There may be occasions when the County or an Appointing Authority must add, delete, or revise specific policies or give current rules a different interpretation from those previously made. The Appointing Authority has the right to change practices and policies, both written and unwritten, as business requires. Updated policies will be issued to all manual holders and communicated to all affected employees according to Section 1.6 – Policy Changes, Dissemination, and Suggestions. The policies contained in this manual are subject to and are in accordance with state and federal laws. If a policy contained in the manual conflicts with the terms or conditions of a collective bargaining agreement, the terms of the negotiated agreement will be followed. In the event there is a conflict between this manual and any other applicable law or legal document, the applicable law or legal document will prevail. In the event that future legislation or ordinances invalidate or change any of the provisions contained herein, the balance will remain in effect.
- D. Nothing in this manual nor any interpretive or enforcement communication should be construed to grant a guaranteed right to continued employment or benefits. This manual is not an employment contract. Employment with the County is not for a fixed term or definite period and may be terminated at any time by either the employee or the County according to law.
- E. The policies stated and adopted within this manual and the communications interpreting and enforcing them supersede all previous policies and communications.
