<b>Message to Applicants</b>	
<b>Number of Positions Available</b>	1
<b>University Title</b>	OSU Extension Educator
<b>Working Title</b>	Extension Educator
<b>Department</b>	Wayne County
<b>Department Location</b>	Wooster
<b>Requisition Number</b>	461722
<b>Summary of Duties</b>	Ohio State University Extension (OSUE) seeks an Educator to work collaboratively with county, area and state teams of OSUE professionals and with local agency leaders and volunteers. The Extension Educator, Agriculture and Natural Resources (ANR) in Wayne County will be responsible for a broad range of duties that could include but are not limited to: providing guidance and/or leadership to the creation of a proactive applied research and education program in agriculture and natural resources to meet current and future needs in farm management, livestock (dairy emphasis) and crop production, with emphasis on forages, pesticide & fertilizer training and recertification, farmland use issues, food security, and environmental quality and sustainability. The current program is very strong with educational opportunities focused on livestock production, forages, pesticide use, nutrient management, and farm financial management. The Educator will plan, teach, deliver, disseminate, and evaluate educational programs and applied research on relevant local issues through pro-active educational programs using innovative educational methods; maintain a high level of visibility and facilitate communications with a wide range of clientele to promote the understanding of agriculture and natural resource issues; maintain a program of individual professional improvement in selected subject areas; ensure a diversity among potential clientele and learners and equal access to programs and facilities; work closely with local advisory committees, commodity groups and volunteers to conduct needs assessment and priority setting to determine emphasis of educational programs; serve as an educational advisor and liaison for the Ohio State University Extension and the University to appropriate public issue and program related organizations; and represent OSU Extension and the University with federal, state and local agencies and educational institutions at the local community level.
