No. 2024-97

Board of Wayne County Commissioners

Ron Amstutz Jonathan Hofstetter Sue A. Smail

Adopted: February 21, 2024

Subject: **Fund Transfer Approval Resolution directing the fund account transfer of a portion of the County's Coronavirus Local Fiscal Recovery Fund Payment from the Fiscal Recovery Fund to the County Health Fund, which such use was for government expenditures related to treating and testing medical expenses paid for COVID, with expenses incurred between March 3, 2021, and ending December 31, 2024**

It was moved by Commissioner Amstutz and seconded by Commissioner Smail that the following resolution be adopted:

WHEREAS, Title IX, Subtitle M, Section 9901 of the American Rescue Plan Act, Pub. L. 117-2 [H.R. 1319], signed into law March 11, 2021 ("ARPA"), appropriated Coronavirus Local Fiscal Recovery Fund (the "Fund") payments from the U.S. Treasury Secretary to metropolitan cities, nonentitlement units of local government, and counties; and,

WHEREAS, pursuant to the ARPA's Fund methodology, the Board of Commissioners, County of Wayne, State of Ohio (the "County") has been allocated approximately \$22,475,311 ("Fund Payment") to "mitigate the fiscal effects stemming from the public health emergency with respect to the Coronavirus Disease (COVID-19)"; and,

WHEREAS, in response to this economic crisis, the Department of the Treasury ("Treasury Department") is providing such relief to state and local governments to enable them to continue to support the public health response and lay the foundation for a strong and equitable economic recovery; and,

WHEREAS, the ARPA and its supporting guidance issued by the Treasury Department provide that the Fund Payment may only be used by the County to finance costs that (a) respond to the COVID-19 public health emergency or its negative economic impacts; (b) respond to workers performing essential work; (c) provide government services to the extent of reduction in revenue; and (d) make necessary investments in water, sewer, or broadband infrastructure (collectively, "Criteria"); and,

WHEREAS, so long as the County duly directs its Fund Payment to finance those costs in compliance with the Criteria, the County may use the Fund Payment to offset the County's various fiscal effects from COVID-19 during the period beginning March 3, 2021, and ending December 31, 2024 (the "Covered Period"); and,

WHEREAS, the County received some or all of the Fund Payment directly from the Treasury Department under the authority of Resolution No. 2021-238, passed on May 12, 2021 which affirms said Fund Payment is to cover only those expenditures consistent with ARPA, including the Criteria, and applicable regulations, and such Fund Payment has been or will be deposited into an appropriate special revenue fund created and maintained by the County; and,

WHEREAS, the Treasury Department has published an Interim Rule and a Final Rule with an effective date of April 1, 2022 (collectively, 31 CFR 35.1 *et seq.*), its regularly updated Coronavirus State and Local Fiscal Recovery Funds' Frequently Asked Questions, and its Coronavirus State and Local Fiscal Recovery Funds: Overview of the Final Rule (collectively, "Guidance"), further explaining the Criteria and the proper use of the Fund Payment during the Covered Period; and,

WHEREAS, the Criteria and Guidance describe such eligible uses of the Fund Payment to include providing government services for the COVID related expenses for treatment and testing consistent with CDC guidelines (31 CFR 35.6(b)(3)(i) B))

WHEREAS, this Board intends to take action and use the Fund Payment as described herein in a manner consistent with the Final Rule released by the Treasury Department on January 6, 2022, as authorized under said Department's Statement Regarding Compliance with the Coronavirus State and Local Fiscal Recovery Funds Interim Final Rule and Final Rule; and,

WHEREAS, in the judgment of this Board, the 2021 expenses outlined in ATTACHMENT A to this Resolution comprise the treatment and testing expenses related to COVID, all as set forth under the ARPA, the Criteria, and its supporting Guidance, and as specifically authorized under 31 C.F.R. 35.6(b).

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Wayne County, Ohio, that:

Section 1. This Board hereby declares that its COVID-19 Response, defined herein, duly authorizes the County Administrator to undertake proper fund accounting transfer(s) such that a portion of the County's Fund Payment is to be transferred to the Health Fund for the reimbursement of previous eligible expenditures and/or incurring of future such eligible expenditures as set forth in ATTACHMENT A. This Board's decision that such expenditures are appropriate by virtue of charging to the County's Fund Payment is based on the following consideration: provision of treatment and testing expenses related to COVID, and which such expenses comply with the Criteria and its supporting Guidance.

Section 2. This Board hereby directs the County Administrator to process the required paperwork to effectuate the fund accounting transfer(s) authorized in Section 1.

Section 3. It is found and determined that all formal actions of this Board concerning and relating to the adoption of this resolution were adopted in an open meeting of this Board, and that all deliberations of the Board that resulted in this formal action were in meetings open to the public in compliance with all legal requirements under Ohio's Sunshine Laws, including R.C. 121.22.

Section 4. This resolution shall be effective from the earliest date permitted by law.
